

CAMERA RECORD OF THE DAY'S NEWS

McGRAW GETS A TOMAHAWK, with which to scalp his baseball opponents. It was presented to him with proper Indian ceremonies by Princess Wah-Letka. The Princess predicts that the Giants will be champs again at the end of the season. (Int. News Reel.)

CENTRAL NEW YORK'S PRETTIEST GIRL—Miss Elsie Adams, of Moravia, was the beauty choice of the judges at the Cayuga Fair. (U. & U.)

JAPAN'S FAIREST BLOSSOM—Miss Sonoki Matsumoko, prettiest girl in Nippon. (U. & U.)

NEW PERUVIAN MINISTER TO U. S., Carlos R. Morandi. He was photographed on his arrival here aboard the S. S. Vandyck. The Minister has gone to Washington to take up his duties there. (Int. News Reel.)

"VEST POCKET" AEROPLANE—This is the very latest thing in jitney airplanes. It is known as the Sperry Messenger, and it weighs just 500 pounds. They say it will cost less than a Ford car, and you can keep it in your garage. It can take off in the road in front of your home. Soon the ladies will do their marketing and pay their social calls in the cute little air-bugs. (Int. News Reel.)

FAMED BRITISH AVIATORS KILLED—Sir Ross Smith, internationally known, and his mechanic, Lieutenant Bennett, were instantly killed when their new airplane, in which they expected to make a trip around the world, went into a spinning nose dive, a thousand feet up. Sir Ross was one of the British Army aviators to make the air trip from Cairo to Calcutta. (Int. News Reel.)

FAY CUSIK was the first woman pupil at the shooting school on Governors Island, New York, to take lessons in how to foil hold-up men and bandits. This school instructs bank clerks and others in the dextrous handling of firearms. First Lieutenant Herbert B. Mayer is instructing. (Int. News Reel.)

RUNS 200 MILES IN 30 HOURS—Some stunt being performed by Sam Johnson, a New York newsdealer. The picture was taken during a short pause at Providence, R. I., en route. (Int. News Reel.)

"HURL," A NEW OUT-DOOR SPORT—This is a second cousin to lacrosse and is gaining favor on Pacific Coast. Soft ball and spoon-like racquet comprise equipment. Beatrice Joy about to hurl ball. (U. & U.)

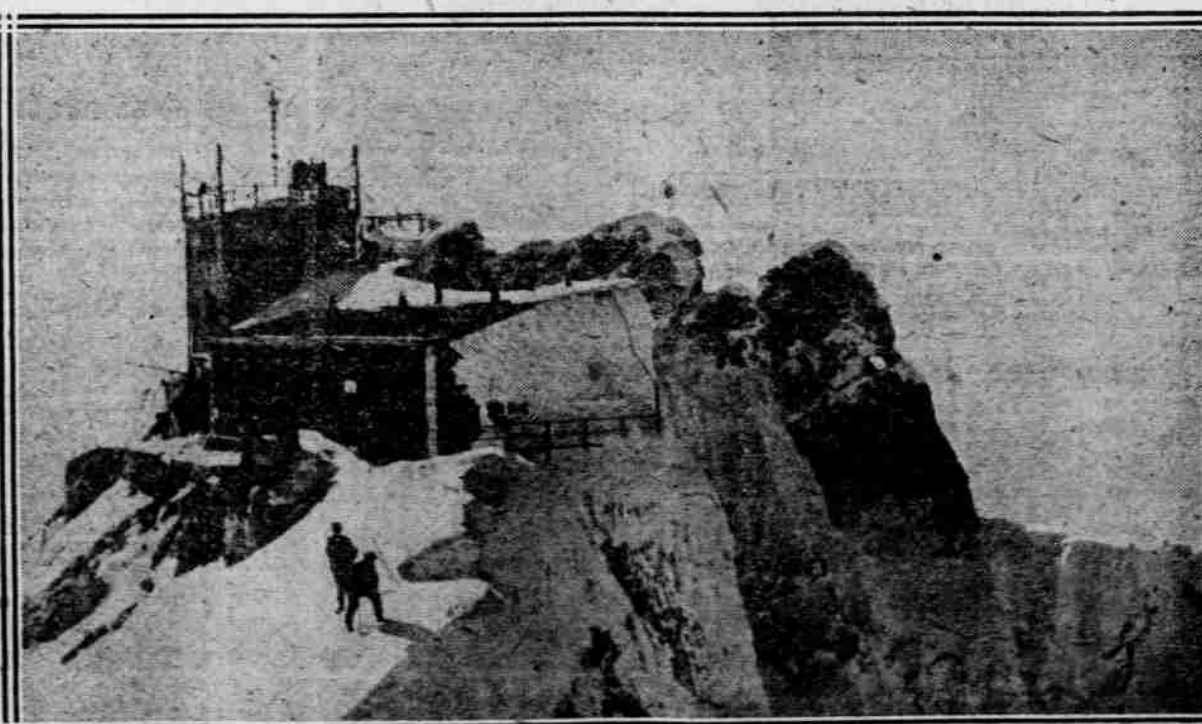

IN DAVY JONES'S LOCKER—This is how the tugboat Henry Lee appeared after she sunk at her pier off the foot of Thirtieth street, Brooklyn, N. Y. (Int. News Reel.)

THE "SKY PILOTS," Dr. J. Roach Straton, of the Calvary Baptist Church of New York, and Dr. J. Frank Norris, known as the "Texas Tornado," of Fort Worth, Texas, took a flight over New York City in the aero navy six seat flying boats. They were the guests of the president of the Aeromarine Airways. (Int. News Reel.)

CUP SCHOONER MAY BE TOTAL LOSS—The sailing schooner Henry Ford, which was expected to bring the Fishermen's Cup back to Gloucester, has been unfortunate enough to go aground on the Essex bar, and is in danger of being pounded to pieces.

DARING MOVIE MEN SCALE PEAK—For the first time a movie expedition, headed by Carl Ritter and Oscar Haupt, scaled the observatory peak of the Spitzberg Mountains, in Germany. They made many interesting pictures of the surrounding country from this lofty perch. (Int. News Reel.)
